

WELCOME TO *inTouch* 2025

INFORMATION

Dates: 6 - 12 July (arrival in the afternoon of 6 July, it is possible to arrive a day earlier if desired, please indicate this in the registration. Departure will be on the morning of 12 July.

Accommodation: The rooms are simple, and this means that family members will share rooms. Most rooms have access to a shared kitchen.

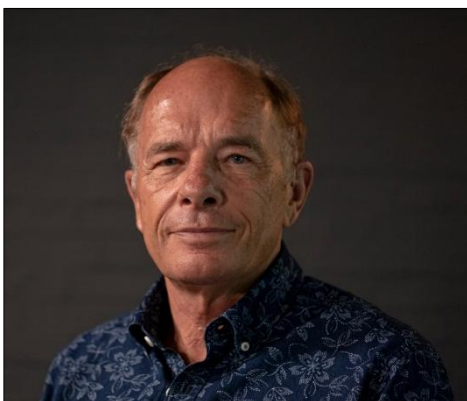

What to bring: Bring your own sheets, duvet covers and pillowcases as well as towels, both for the sink, shower and beach. Bring swimwear and outdoor clothing, both for sports and play but also if you want to hike in the forest.

Long summer nights, fantastic nature for hiking, several beaches within a few minutes' distance, plenty of space for playing and sports. Welcome to Restenäs for this year's edition of inTouch 6 - 12 July.

*These camps are an opportunity for the whole family
- adults and children - to rediscover Jesus*

We have been running this type of camp for the past 20 years and participants have been blessed and established in their faith in Jesus Christ. These camps are an opportunity for the whole family - adults and children - to rediscover Jesus for their family and connect with mission opportunities. You are welcome to join us!

Lynn Green, speaker at inTouch 2025

you pay. The remaining fee can be
paid on site as you start inTouch.

SPEAKER

Lynn Green has been involved with YWAM since the 1970s and is the National Director for the UK, leading the work at Highfield Oval outside London.

Leadership roles in YWAM and other public ministries have taken Lynn to more than 110 countries. Some of his adventures include being part of the founding team of the 'March For Jesus' and he initiated and led the 'Reconciliation Walk', which gave more than 2,500 people the opportunity to walk parts of the route of the First Crusade and apologise for atrocities done in the name of Jesus.

Lynn Green has taught in YWAM in many nations and is a regular speaker at YWAM leadership schools around the world. Lynn will touch on several of the teaching areas normally found in a DTS (discipleship training school) but also other areas, drawing on her experience of more than 40 years in full-time service for the Lord. We look forward to all that the Lord wants to share through our worship, teaching and free time in inTouch 2025 and hope you will join us.

MORE INFORMATION

Toilet/shower: This is located in each corridor, shared with the people living there. Each room has its own sink.

Tasks: We have a policy that all participants help with the dishes after meals. You can sign up on a list for some meals from time to time or all meals on a specific day. A special 'dish list' will be available in the dining room with the number of 'dish helpers' (2 - 4 people) needed for each meal.

Children

During the week, we will have children's activities with King's Kids International.
